CMC Steamboat Campus Library Mission

The Colorado Mountain College Steamboat Campus Library embraces the greater vision of Colorado Mountain College: "to be the most inclusive and innovative student-centered college in the nation, elevating the economic, social, cultural, and environmental vitality of our beautiful Rocky Mountain communities."

At the Library, we enact the College's mission with thorough, courteous, professional service and instruction along with access to excellent, extensive resources in multiple formats. Our support of intellectual freedom, diversity in scholarship, innovation, and lifelong sustainable learning works hand in hand with a proactive dedication to the changing needs and interests of our patron population.

This powerful combination of actions and beliefs allows the Library to take the extra steps necessary to turn the College's vision into reality.
